MARKETING BULLETIN OCTOBER

Dear Friends and Colleagues,

We are pleased to introduce the new **Dumor HYDROCUT 52**.
Table : 52 x 52 x 8cm(high)

The **Hydrocut 52** is designed for medium duty cycle and offers many advantages vs other machines in the same size class.

- A real full Hydraulic machine with 2 separate cylinders for cutting and pressing not just one slave press cylinder with an electric cut as found on some other machines.
- Full swing cut movement to the left as found on very large machines.
- Huge motor with heavy duty gear pump, 50% more powerful than others makes.
- Tank with inline filter.
- Dual reversible action valves.
- Long front table with sprung balls.
- Full IR guarding on the front table.
- Combined press and cut buttons.
- Inching wheel.
- Touch screen colour display for all major functions.
- 80 programs with 80 steps each one nameable repeat cuts are possible.
- Adjustable press force from 100 kg to 1500 kg via adjustment knob with pressure indi-

cator.

- Gauging footpedal.
- Lazer cut line.
- Full array of self checking software for technical use.
- Folding rear table for transport though narrow door ways.

Your unique reseller advantages

- 1: Fully exclusive *Dumor* trademarked range of machines
- 2: Fully supported from Belgium in service and spare parts
- 3: No quibble warranty for 2 years (non wear parts) with optional warranty extension
- 4: Machines pre delivery tested in Belgium so you are sure they are usable right out of the box.
- 5: Next day shipping from Belgium warehouse; usually you get the machine in 3 days; no 6 week wait to get the machine!
- 6: Full local on site support for open houses and local fairs.
- 7: Full on site demo support using our Demo Van.
- 8: Real EU issued CE certificate with test report and local product liability insurance, doesn't exist with China vendors.
- 9: Prices comparable with imported from china prices with no 2 or 3 month delivery time; no long prepayment costs; no import charges or paperwork.

Why make your life complicated and expensive messing around with long distance imports?

SAVE time, **SAVE** cash and effort, with a better and safer result.

Machines in stock now for demonstration.

Book your demo viewing/testing/expo machine today!
